## TELEMEDICINE: VIRTUAL CLINICAL CARE FROM HHHRC IN RESPONSE TO COVID-19 OUTBREAK

We are providing a safe and convenient way for patients to continue receiving care from our three providers during this challenging time.

**CHRISTINA WANG**, DNP, MPH, APRN-Rx, AGPCNP-C

Dr. Christina MB Wang is a Nurse Practitioner with the Hawaii Health & Harm Reduction Center. She has focused her efforts around wound care in the community, providing care to persons living with HIV/AIDS and hepatitis, and supporting efforts around care for those with mental illness and substance abuse.

**COURTNY TANIGAWA**, APRN-Rx, CSAC

Courtney Tanigawa is board certified as an Advanced Practice Registered Nurse in both Family Practice and Mental Health. She has over 20 years of experience seeing patients in a variety of community and inpatient settings.

**JOHN PAUL MOSES III**, MBA, MSN, RN, APRN-RX, FNP-BC, CARN-AP

JP Moses is a Family Nurse Practitioner with a subspecialty in Addictions Medicine. In addition to his private practice, he works with the Hawai'i Health & Harm Reduction Center as an Addiction Medicine specialist.
