Additional Information About the Hawai'i Health & Harm Reduction Center Community-Based Wound Care Program	
<p><b>HHHRC's community-based wound care program is for basic wound care that can be managed in a community setting, which includes, but is not limited to:</b></p> <ol style="list-style-type: none"> <li>1. Patients appropriate for outpatient setting needing follow-up</li> <li>2. Simple I&amp;Ds that were performed at the bedside and/or were discharged from the ED</li> <li>3. Wounds that do not require IV antibiotics</li> <li>4. Dressing changes with discharge orders.</li> </ol>	
<p><b>* The Hawai'i Health &amp; Harm Reduction Center's wound care program does not have the capacity to care for long-term bedridden patients.</b></p>	
<p><b>If there are any questions or concerns, please contact Christina Wang, DNP, MPH, APRN-Rx, AGPCNP-C at 808-683-5484 to clarify whether this patient can be managed in a community setting.</b></p>
